CARDENAS MARKETS FOUNDATION

¿Qué tal, amigos?

Welcome to the 19th Annual
Cardenas Markets Foundation
Golf Tournament!

On behalf of the Cardenas Markets Foundation Board of Directors, thank you for your generous support for this event which raises scholarship funds for local students in the communities where Cardenas Markets and Los Altos Ranch Markets operate.

Together, we have once again positively impacted the lives of sixty-four students by providing much-needed funds that enable them to pursue their educational goals. Your participation in this event truly makes a difference.

As we come together to celebrate the academic endeavors of local students, we do so by also honoring and celebrating our rich culture and heritage. It is truly an honor to embark upon Hispanic Heritage Month alongside our generous vendor partner community who helps us bring our always fresh and always authentic offerings to life, on a daily basis. Thank you for your partnership!

I hope you enjoy today's
festivities and let's Par-Tee!

Sincerely,

I am a first-generation college student coming from an immigrant family who aspires to become the first healthcare provider in my family.

Through the support of this scholarship, I look forward to building my future in the healthcare industry. Not only will this scholarship support my education but will also help ease the financial burdens placed on my family due to increasing educational costs. It will also allow me to work fewer hours and focus solely on my studying.

Thank you for your generosity in providing funds to help me further my education.

As a child, trash-digging, hand-me-downs, and borrowing money from others was common practice.

I learned the importance of a good education at an early age, and now, through this scholarship I am one step closer to achieving my educational goals and financial freedom with zero college debt.

Your investment in my education will not go to waste. I will strive to be an agent of change who humbly serves by influencing people and organizations to break cycles of poverty. Thank you for your support in bringing me closer to that goal.

This scholarship has given me a newfound hope, and I am deeply grateful to the Cardenas Markets Foundation for providing me with the opportunity to further my education. As a first-generation student it has been challenging to navigate through the college system, and much more difficult to find avenues to pay for it. With this help, I can now pursue my studies without the stress or worry of finances.
